EEA: Free NHS treatment for everybody with a EHIC card. After 1st April 2008 production of an EHIC will be mandatory and anyone unable to show one should be charged and advised to take up the matter with their home health authorities on their return

Reciprocal Health Agreement List 1: Free NHS Treatment covers **nationals** who are **resident** in the country concerned.

Reciprocal Health Agreement List 2: Free NHS Treatment covers **residents** of the country concerned, irrespective of their nationality.

Switzerland: is not an EEA member but has an agreement with the EEA so will be treated the same.
